Memorandum

TO : Director of Training

DATE: 24 September 1971

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

1. On 19 September at Seneca State Park the July 1971 CT Class had a successful picnic and this provided an opportunity for useful informal discussions. Members of the Class are now on their first interim assignments and these assignments appear to be going well.

2. On 20 September Chief/CTP briefed the Operations Training Staff on the CT Program. The purpose of the briefing was to provide new instructors with an overview of the Program and to bring the "old hands" up to date on current developments. Also on 20 September CT Program Officers met with the Chief, Operations Training Staff and the Coordinator for the BOC to discuss the 1st CT's who will be enrolled in the BOC beginning 27 September.
